RESPONSE AND AMENDMENT

Dear Sir:

This communication responds to the non-final Office Action mailed August 16, 2005, in connection with the above-identified patent application. The three-month shortened statutory period for reply is set to expire on November 16, 2005. As this Response is being filed prior to expiration of the shortened statutory period, it is believed no extension of time is required for timely submission of this communication. However, if the Office determines any extension of time is required for consideration of this Response, Applicants hereby request an extension of time for such additional time period.

Enclosed is a check in the amount of \$180 for submission of a Supplemental Information Disclosure Statement under 37 CFR 1.97(c)(2). It is believed that no additional fees are required for filing this Response. However, if the Office determines additional fees are required, the Commissioner is authorized to charge any additional fees or credit any overpayment to Kagan Binder Deposit Account No. 50-1775. In the event of any such charge or credit, the undersigned requests notification of such charge or credit.
